

Module #1- Training Guide

This training guide is designed to get you acquainted with the System. Each Training guide will allow you to stay on track in order to maximize your skills through each module.

Once all 12 modules are complete you will have a roadmap with which to become a certified "**Mind Force Specialist**" and inducted into the **International Society of Mind Force Specialists**.

The Art of Personal Magnetism: You should become familiar with the principles of this book and understand the core concepts. This manual coincides with material taught in the "Magneto Manual", from Mind Force Attraction.

Subliminal Recording Studio: You should have downloaded and set up the software as well as tested it for future use.

Mind Mapping Tool: Visit website and begin to use the tool in the areas you choose.

Strangest Secret Commentary: Become familiar with this recording and training.

Snap Shot Awareness: After watching the video, you should be practicing this on a daily basis. Email your reports of well this is working for you.

Hypnotic Influence Pattern of the Month: How have you used the concept of "because"? Have you field tested it to see the results? What are your results. How bold are you becoming with this technique?

Creation on Demand: Are you learning the concepts to create on demand what you desire?

Subliminal Audio File: Watch the video and start to apply the concepts. Use the Subliminal file daily to begin powerful and long lasting change.
